General Comment

Congress mandated the collection of monies by the Government be controlled by the Miscellaneous Receipts Act use it and enact New rule to Change the independent Consumer Financial Protection Bureau to be accountable to the people, which created by Dodd-Frank (repeal), the concern goes well beyond lack of regulatory review : there exists a fundamental lack of accountability, either executive or legislative or judicial, since the President cannot remove the director, and since Congress does not fund the self-financing agency. Congress lacks even the necessary "power of the purse" to ensure even an appearance of accountability to voters. End Carbon Trading would help all America. End this Mandate on Business. Should investigate SEC on how rules on certain American companys have changed, should investigate Bitcom (looks like no accountability to value, remember the Holland Tulip Bulb bubble?? The Equal Access to Justice Act (EAJA) must be reformed to ensure litigants are not able to exploit the law, and avoid legal caps on attorney's fees. the Regulatory Flexibility Act has directed federal agencies to assess their rules' effects on small businesses and describe regulatory actions under development "that may have a significant economic impact on a substantial number of small entities" (US GPO, 2009: 64,131-32). the REINS Act (Regulations from the Executive in Need of Scrutiny, H.E. 367) to require an expedited congressional vote on all major or significant rules before they are effective. END OR REPEAL THE independent Consumer Financial Protection Bureau created by Dodd-Frank , Unfunded Mandates Reform Act of 1995 (P.L. 104-4), New-Deal Administrative Procedure Act (APA) of 1946 (P.L. 79-404), which set up the process of public advance notice of rule-makings, National

Environmental Policy Act (NEPA) need review and reformed. Clean Development Mechanism (CDM), introduced into the United Nations' Kyoto Protocol by the Clinton administration, and it allowed industrial nations to buy and use credits from poorer nations that had found ways to radically reduce emissions. 2008, China was raking in billions of dollars by selling credits from one of these schemes the Clean Development Mechanism is intended to provide a mechanism to start reigning in the rapid growth of developing country emissions without these countries themselves bearing the costs. The intent is that developing countries will engage more over time, in subsequent negotiation rounds, if and as the richer countries fulfil their commitments. S. 1109, Truth in Settlements Act of 2015, "requires federal agencies to make public non-confidential information about settlement agreements to ensure transparency .

REFORM The Equal Access to Justice Act (EAJA) . Revise Improper Payments Information Act of 2002 (IPIA). GREATER USE use of Regulatory Flexibility Act to assess rules effects on small businesses.
