

MINE SAFETY AND HEALTH ADMINISTRATION

Coal Mine Electrical Qualification Examination Schedule

District 9 will be giving the electrical test on a quarterly basis in 2006, as indicated below. The test will be given as listed below. Contact Jim Kirk at (303) 231-5572 for additional information.

Tests will be given at 8:00 a.m. to 4:30 p.m. on the following dates:

<u>Location</u>	<u>Test Dates</u>	<u>Application Deadline</u>
Denver, CO	December 5 & 6*, 2006	November 20, 2006
Gillette, WY	March 6 & 7*, 2007	February 20, 2007
Denver, CO	June 5 & 6*, 2007	May 22, 2007
Gillette, WY	September 11 & 12*, 2007	August 28, 2007
Denver, CO	December 4 & 5*, 2007	November 20, 2007

PREREQUISITES: Applicants must have been employed for one year in a position where their major duties consisted of installation and/or maintenance of electrical circuits and equipment in the mining industry. Reference: Title 30, Code of Federal Regulations, Sections 75.153 and 77.103.

NOTE: There will be a maximum of 16 applicants per test. Those applicants who cannot be scheduled on the requested date will be scheduled for the next available scheduled test date.

NOTE: Colorado and Utah applicants should contact their respective State Division of Mines concerning the State requirements for electrical qualification.

*The second test day has been reserved for anyone who needs to retest on any failed portions of the test. Please keep this in mind when making your travel arrangements.
