Date: 12-6-6

Bud Hartfield

I met with Weldon Will's on Friday and informed him that we were doing a 1681 assessment today.

Travel from the surface to 1681.

Observe smoke down the 1681.

Travel back to the 8042 air.

Failed in the 8042 air.

Inspector's Initials 12-6-6

Supervisor's Initials and Date 12-6-6

Page 1

1. Inspect from the surface to the 1681.

Weldon Will's informed Weldon Will.

Test #3 was completed on the 1681.
