Comment On: MSHA-2014-0009-0024

Criteria and Procedures for Assessment of Civil Penalties

Document: MSHA-2014-0009-0040

Comment from na na, NA

Submitter Information

Name: na na

Organization: NA

General Comment

Persons affected: Why not remove that category entirely. Its always a person affected, or it shouldnt even be a citation. Why should we penalize someone for an error that affects no one? If it doesnt impact safety of a person, then just recommend a correction, and move on.

AB72-COMM-13
