Criteria and Procedures for Assessment of Civil Penalties

Document: MSHA-2014-0009-0042

Comment from John Smith, NA

Submitter Information

Name: John Smith

Organization: NA

General Comment

What I find interesting is that either MSHA is not posting comments that come to them (perhaps, because they disagree with the material there-in) or the website is broken, and not recording/posting comments that are made. Several of my own comments, written and duly submitted through this process/forum over a week ago, are not visible.

Either way speaks poorly of the process of gathering comments from the public for consideration.
