

Accessibility Statement

The Mine Safety and Health Administration (MSHA) at the U.S. Department of Labor (DOL) is committed to providing access to all individuals who are seeking information from the Agency and to complying with Section 508 of the Rehabilitation Act of 1973 as amended.

Section 508 requires that all individuals with disabilities (whether they are federal government employees or members of the general public) have access to, and use of information and data, comparable to that provided to individuals without disabilities, unless an undue burden would be imposed on MSHA.

Any individual with a disability who has difficulty accessing documents and materials related to Lowering Miners' Exposure to Respirable Crystalline Silica and Improving Respiratory Protection proposed rule should email MSHA, Office of Standards, Regulations, and Variances (OSRV) at silicaquestions@dol.gov.

The email should include

1. nature of the accessibility problem encountered,
2. URL (web address) of the page or pages in question,
3. specific information sought, and
4. contact email address or phone number for a response.

OSRV staff will respond promptly and work to provide the information being sought.
