RE: RIN 1219AB63

To whom it concerns:

On behalf of the Nevada Mining Association Safety and Health Committee, I am writing in regard to RIN 1219AB63 and specifically Sec. 50.10 Immediate notification (d) Any other accident. In hopes of clarifying the language, I would like to recommend the following change: "(d) Any other accident as defined in Part 50.2(h) 4 - 12". This change would assist in alleviating any possible misinterpretation of the meaning of "any other accident" by the industry or regulator.

Thank you for your time and attention in this important matter.

Best Regards,

Shane Owen
