RE: RIN 1219AB63

To Whom It May Concern:

Newmont Mining Corporation, is writing in regards to RIN 1219AB63 specifically "Sec. 50.10 Immediate notification (d) Any other accident". We believe Industry and MSHA would be better served and have a better understanding if the wording was changed to "(d) Any other accident as defined in Part 50.2(h) 4 – 12". This would assist in alleviating any possible misinterpretation of 'any other accident' by Industry or Regulatory persons.

Thank you for your time and attention in this very important matter.

Best Regards,
