

# ATTENTION ROOF BOLTERS:

**Give them all  
five to choose  
from...  
Practice hands  
off drilling !!**

- During the first nine months of 2002, there have been over 50 reported accidents in coal mines involving "hands-on" drilling and bolting.
- Six of these accidents have resulted in finger amputations and/or nerve damage.

Please, don't add to these grim statistics— practice safe bolting procedures, and remember:

**If one hand is on the steel or bolt, REMOVE YOUR  
OTHER HAND FROM THE CONTROLS!**

**OR**

**If one hand is on the controls, REMOVE YOUR  
OTHER HAND FROM THE STEEL OR BOLT!**

---

***Practice "hands-off" drilling  
or you may end up with parts of your hands off!***
