The conveyor belts applicable to this listing were tested and accepted as fire-resistant under the Code of Federal Regulations, Title 30, Part 18. This listing of assigned acceptance numbers of fire-resistant conveyor belts was revised and updated as of April, 1995. These conveyor belts are accepted for use in underground coal mines in accordance with the requirements prescribed in Title 30, Part 75, Section 75.1108. It is recommended that the manufacturer be contacted to determine the availability and status of any conveyor belt listed herein.
