CERTIFICATION OF ELECTRICAL EXPERIENCE

Name: _____ MIIN: _____
Address: _____ Date of Birth: _____
City: _____ State: _____ Zip Code: _____
Home Phone: _____ Work Phone: _____

I request to take the Electrical Qualification Examination at _____
(location)
on _____, in accordance with the MSHA testing schedule.
(date)

Requested Qualification for: _____ Underground _____ Surface

Before being considered for qualification to perform electrical work, in accordance with the requirements of Title 30 CFR, Sections 75.153 and 77.103, the applicant must have at least one year of experience in performing electrical work in one or more of the following categories.

Please indicate the months of experience for each category:

- _____ Underground in a coal mine
- _____ In the surface work areas of an underground coal mine
- _____ In a surface coal mine
- _____ In a non-coal mine
- _____ In the mine equipment manufacturing industry
- _____ In any other industry using or manufacturing similar equipment

I hereby certify that I have performed electrical work as specified in the category(ies) marked above for a total of _____ months and that I have attached the required documentation, as listed on page 2 of this application.

Applicant's Signature

Date

Whoever knowingly makes any false statement, representation, or certification in any application, record, report, plan or other document filed or required to be maintained pursuant to this Act shall, upon conviction, be punished by a fine of not more than \$10,000, by imprisonment for not more than five years, or both.

REQUIRED DOCUMENTATION

Note: The applicant must have been employed for one year in a position where the major duties consisted of installation and/or maintenance of electrical circuits and equipment. Examples are one year of experience as an electrician, electrician's helper, mine repairman, mine repairman's helper, full-time maintenance trainee, etc.

1. CURRENT EMPLOYMENT INFORMATION

Current Employer: _____

Address: _____

Current Job Title: _____

Dates Employed: _____ to Present
(month & year)

Immediate Supervisor's Name: _____

and Phone Number: _____

Mine Name: _____ Mine ID #: _____

2. LETTER FROM CURRENT EMPLOYER

Attach a letter from your current employer confirming that you have completed all of the required training courses. The letter should be on company letterhead and should include the title and phone number of the company representative who signs the letter.

3. DETAILED RESUME

A detailed resume is required. It is important that you fully document your months of electrical experience with your current and previous employers on your resume. (Include the address for all previous employers.)

Please be specific about what type of work you did, and how it related to electrical work and mining experience. Include such details as the voltages and number of phases you have worked with, what electrical equipment you have maintained, circuit breakers repaired, wiring of transformers, motor controllers, resistance grounding systems, etc. Wording such as "worked on electrical equipment," "was a master electrician," "rebuilt substations," "ran conduit," "have worked at a mine 10 years," "assisted electricians" needs to be fully explained regarding what electrical work you did when performing the task.
