Our Safety & Health Goals

- Provide a work place where Safety and Health hazards do not exist and take appropriate action to identify and correct all hazards.

- Include all employees in the development of the Safety and Health programs.

- Observe as minimum requirements, all State and Federal Regulations regarding workplace safety & Health.

- Maintain equipment and facilities.

- Use appropriate personal protective equipment.

- Train all employees concerning workplace hazards and the need to work safely and follow established work practices.

- Promptly report all accidents or injuries, regardless how minor they appear.

- Encourage communications and suggestions on all safety and health matters.
