1) **Teamwork**
   - Talk with co-workers to prevent injury
   - Tell co-workers if you see them working where a hazard exists.
   - Help another co-worker if you see that the job is too big.

2) **Hearing Protection**
   - Demonstrate the proper way to insert earplugs or wear earmuffs, if applicable
   - If you cannot talk to someone in a normal voice, you are probably in a noisy location that requires hearing protection
