

PROPRIETARY NOTICE AND LIABILITY DISCLAIMER

The information disclosed in these documents, including all designs and related materials, is the valuable property of Morgantown Machine & Hydraulics, Inc. MMH reserves all patents, copyrights and other proprietary rights to these documents, including all designs, manufacturing, reproduction, use and sales rights hereto except where expressly granted to others.

The MMH products discussed in these documents are warranted in accordance with the terms of the Warranty Statement accompanying each product. However, actual performance of each such product is dependent upon factors such as system configuration, customer data, and operator control. Since implementation by customers of each product may vary, the suitability of specific product configurations and applications must be determined by the customer and is not warranted by MMH.

To allow for design and specification improvements, the information in these documents is subject to change at any time, without notice.

The right to reproduce these documents or portions thereof is hereby granted to the original purchaser for the purpose of training or informing its employees only. Reproduction of this document or portions thereof for any other reason is prohibited.

“KAMAT”, MMH and “Deron” are trade or brand names associated with Morgantown Machine & Hydraulics, Inc. or its suppliers.

Other product brand names contained herein are the property of their respective trademark owners.
